### Remarks

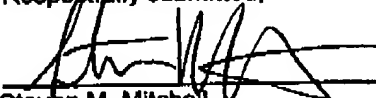

We were instructed on August 4, 2004 by the OIPE to file an amendment to reinstate the claims cancelled in error by the Preliminary Amendment filed with this application, and that no fees were necessary unless we were adding new claims. On August 5, 2004, we filed a Supplemental Preliminary Amendment to reinstate claims 1-17 in this application.

In a telephone conversation with Examiner Ha on March 30, 2005 she explained that previously cancelled claims cannot be re-instated and at this point, there are no claims in this application.

Examiner Ha said to send in by fax to her fax number (571-273-1678) an amendment to add the claims cancelled in error as new claims and to number them sequentially following the last claim listed in the application. She said to also fax the same amendment to the primary fax number for the group.

Please charge any fees or credit on payment to Deposit Account No. 22-0265. If any addition extension fee is required, please charge to Deposit Account No. 22-0265. This form is submitted in duplicate.

Respectfully submitted,
